On April 24, 2010 Rodney Allen Williams was the victim of a fatal hit and run that forever changed the lives of his family. Rodney was full of life and a great joy to be around. He was a son, brother and uncle. He loved playing with his nieces and nephews and he loved playing video games. Rodney was an organ donor, and he volunteered his time helping elderly and disabled family and friends. If you have any information regarding this incident, please contact Crimestoppers. Please donate in memory of Rodney!

To schedule your lifesaving donation appointment, please visit  
[redcrossblood.org](http://redcrossblood.org) and enter **sponsor code: FHF**.

All presenting donors will receive a \$6 coupon to Fuddruckers and will automatically be entered into a drawing for a pair of Delta Air Lines tickets or a \$3,000 gift card.
