

Did you know...

**FATALITIES
ARE ON THE
RISE IN
ANDERSON
COUNTY?**

DO YOU KNOW WHY?

**NOT BUCKLING UP...SPEED...DRIVING WHILE
INTOXICATED...NARROW, CURVING ROADWAYS**

BUCKLE UP. It's the best predictor of whether you will survive a serious vehicle crash.

SLOW DOWN. Speed is present in most fatal crashes.

DON'T PANIC...if you run off the road. Take your foot *off* the gas and foot *off* the brake. Slowly bring your vehicle back on the road.

PLAN A RIDE home before you take that first drink...

STOP. Failure to yield is one of the leading killers in crashes.
