

YOU ARE INVITED TO ATTEND! INDUSTRY DAYS

Two of the key components of reaching zero traffic deaths within the commercial motor vehicle arena is partnership and education. With the Target Zero concept in mind we are implementing an outreach program called "Industry Days" at our weigh/inspection stations. This is an awesome opportunity to bring enforcement and industry together with one goal in mind, eliminating traffic fatalities involving commercial motor vehicles in South Carolina.

Interstate 20 Eastbound – 35 Mile Marker
Aiken County - Inspection/Weigh Station

We invite you and your staff to come out and meet with enforcement personnel for discussions and demonstrations regarding commercial motor vehicles and North American Standard Inspections

August 20, 2014

November 5, 2014

9:00 a.m. – 11:00 a.m.

Contact: Sgt. D.D. Wilson
(803) 530-8958
Email: DDWilson@scdps.gov
